

Each year, Chamberdance and the Academy of Ballet provide the highest quality dance education and performance experiences to talented students from all around the Bay Area, as well as visiting students from around the world.

Chamberdance has established a Scholarship Fund to assist dancers who, due to financial need, would otherwise not be able to pursue their dance education. This year, we hope to disburse approximately \$25,000 in financial assistance to pre-professional ballet students for study at the Academy of Ballet. The goal of the Scholarship Program is to ensure that these talented and dedicated dancers are given the support and resources necessary to fulfill their potential.

Chamberdance is a non-profit 501(c)3. All donations to the Scholarship Fund are not only tax-deductible, they directly benefit these young dancers by providing them with full or partial tuition assistance for one dance season (September-June) at the Academy of Ballet. **Every donation counts!**

Support the Dancers of the Future!

YES! I'd like to support the Scholarship Fund at the following level:

Corps (\$10-\$124)
\$10 covers **a class** for a scholarship student

Soloist (\$125-\$499)
\$125 covers **a week of classes** for a scholarship student

Principal Dancer (\$500-\$4999)
\$500 covers **a month of classes** for a scholarship student

Étoile (\$5000 or above)
\$5000 pays for the tuition for a scholarship student for **an entire year**. Donors at this level are invited to observe special open rehearsals and classes, enabling you to watch a dancer as his or her career develops.

I would like my donation to go toward the Ellen Miller Memorial Scholarship.
